School Lunch Hero Day

Wednesday, May 22, 2024
Last Day of School
1:00 pm dismissal

There are special people on the staff at your school whose job is to help improve students' concentration and classroom participation, increase SOL test scores and make sure students' stay healthy.

Although the cafeteria employees don't see inside of a classroom very often, they do make a huge daily contribution to all students' educational success.

We are so grateful for these special employees who work diligently behind the scenes every day to create delicious meals while ensuring compliance with the many health and safety rules and regulations!

Please join us in saying *thank you* to our outstanding cafeteria staff on *School Lunch Hero Day*, Friday, May 3.

Breakfast

Start your day with a school breakfast - it's free!

Students are offered many whole grain-rich entrées to choose from including biscuits, cereals, breakfast bars, & pastries. One entrée of choice is included with the free breakfast meal.

Fresh fruit, fruit juice, and milk are offered too! Students may include each of these.

Choose all items (whole grain entrée, fresh fruit, juice, and milk) for the most balanced and filling meal.
