About Us:

Spanish Club is for the student having an interest in Spanish culture, language, and Hispanic oriented activities. Members gather for the purpose of building new friendships while participating in learning opportunities, communication, exploration, and sharing experiences based around or within the Hispanic culture. A mission of the club is to become involved in the community through participating in community service projects with various groups of differentiated purposes and of all ages. By joining the Spanish Club, you can celebrate Hispanic holidays, learn about different customs, and experience the food, music, dance, and art of Spanish-speaking countries.
